Filed: August 4, 2006                                      Examiner: S. Swope

For: Protease Variants

**REQUEST FOR CORRECTED FILING RECEIPT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This application was filed on August 4, 2006 as a national phase application of PCT/DK2005/000097. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2004 00226 filed on February 13, 2004 and U.S. provisional application no. 60/558,191 filed on March 31, 2004.

The filing receipt mailed September 24, 2007 omits the U.S. provisional application in the domestic priority data section. Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due.

Respectfully submitted,

Date: February 20, 2009
